

A photograph of a gym floor with blue carpeting, featuring various exercise equipment like weight benches and dumbbells in the background.

# NEED A HERO?

## JEN X Sport Flooring

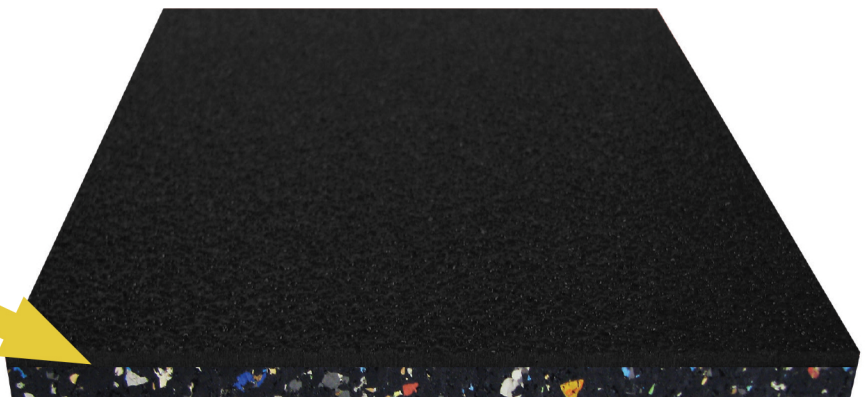

Looking for super-hero strength? Meet Jen X. The only flooring of its kind, Jen X uses an invinciblewear layer to coat its rubber core. Due to its self-healing nature you can forget about damage from metal cleats and rolling loads. The flexible surface is as comfortable as it is strong so you can enjoy this floor whether you're an athlete, or just an ever-day hero.

### Features

- Extremely Durable & Rugged
- Cut & Tear Resistant
- Incredible Bond Strength
- Impact Absorbing
- Stain Resistant
- Flexible
- Water Proof
- Chemical Resistant
- Low VOC's

### Benefits

- High slip coefficient
- Non porous wear layer reduces odor & hygiene concerns
- Low maintenance costs
- Provides comfort & support over hard flooring surfaces
- Quick installation

Black with Xtra Heavy Duty recycled rubber backing

5 Year  
Warranty

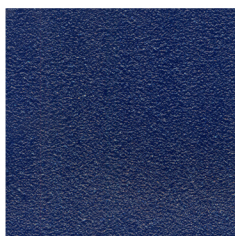

## Colors
